**JURY TRIAL DEMANDED**

**CLASS ACTION PETITION FOR DAMAGES {X1}**

Plaintiff J.T. Hand, individually and on behalf of all others similarly situated, brings this action against Defendant ARB KC, LLC d/b/a Angels Rock Bar (“Angels Rock Bar”) to secure redress for Angels Rock Bar’s practice of sending text messages to cellular telephone numbers in violation of the Telephone Consumer Protection Act (“TCPA”), 47 U.S.C. § 227, *et seq.* Plaintiff, for his class action Petition, alleges as follows based upon personal knowledge as to himself and his own acts and experiences, and as to all other matters, upon information and belief, including investigation conducted by counsel:

**PARTIES, JURISDICTION, AND VENUE**

1. At all times relevant hereto, Plaintiff Hand has been a resident of Jackson County, Missouri.
2. Defendant Angels Rock Bar is a Missouri limited-liability company with its principal place of business at 1323 Walnut Street, Kansas City, Missouri 64105.

3. Defendant Angels Rock Bar can be served through its registered agent CSC-Lawyers Incorporating Service Company, 221 Bolivar Street, Jefferson City, Missouri 65101.

4. Pursuant to RSMo § 506.500, jurisdiction is proper in this Court because Defendant has transacted business in Jackson County, Missouri and/or because the tortious acts complained of in this Petition occurred in Jackson County, Missouri.

5. Pursuant to RSMo § 508.010, venue is proper in this Court because the tortious acts complained of herein arose and took place within Jackson County, Missouri, the transactions at issue or some part of the transactions took place within Jackson County, Missouri, and/or Plaintiff was first injured in Jackson County, Missouri.

6. Further, jurisdiction and venue are proper pursuant to 47 U.S.C. § 227(b)(3), which grants state courts jurisdiction over actions alleging violations of 47 U.S.C § 227. On information and belief, Angels Rock Bar has sent the same or similar text messages complained of by Plaintiff to others within this judicial district, such that a substantial portion of the events giving rise to this cause of action occurred here.

7. In addition, Angels Rock Bar also transacts significant amounts of business within this district, solicits customers here, directs telephone calls and text messages here – including to the cellular telephone numbers of Plaintiff and others with area codes specific to Jackson County, Missouri,<sup>1</sup> and enters into consumer and business contracts here, thereby subjecting it to the jurisdiction of this Court.

Ill. 2017) (placing a call to a phone number with an Illinois-affiliated area code constitutes “purposeful direction” warranting the Court’s exercise of jurisdiction) (citing *Keim v. ADF Midatlantic*, 199 F. Supp. 3d 1362, 1370 (S.D. Fl. 2016) (collecting cases)).

### NATURE OF THE ACTION

8. Angels Rock Bar is a drinking establishment.

9. Between July 30, 2014 and April 4, 2018, in order to advertise and market its products and services, to increase revenue, to expand its customer base, and to pursue other marketing objections, Angels Rock Bar caused advertising and/or telemarketing text messages to be sent to the cellular telephones of Plaintiff and the putative class members in violation of the TCPA.

10. Specifically, Angels Rock Bar (either directly or through a third-party telemarketer) sent unsolicited text messages to the cellular telephones of Plaintiff and the putative class members promoting specials and events at the Angels Rock Bar and encouraging Plaintiff and the putative class members to visit Angels Rock Bar with their friends or associates.

11. By sending the text messages at issue in this Petition, Angels Rock Bar has caused Plaintiff and the putative class members (as defined herein) actual harm.

12. On information and belief, Angels Rock Bar routinely sends these text messages despite the fact that Plaintiff and the putative class members:

- (a) never provided prior express consent in writing, or otherwise, for Angels Rock Bar to send advertising or telemarketing text messages to their cellular telephone numbers; and/or
- (b) never provided prior express consent in writing, or otherwise, for Angels Rock Bar to send text messages to their cellular telephone numbers using an automatic telephone dialing system (as defined by the TCPA).

13. Angels Rock Bar also sent such advertising and/or telemarketing text messages to Plaintiff and other putative class members even though (i) it failed to establish written policies and

procedures to ensure compliance with the national and/or internal do-not-call rules and regulations, and train its staff in compliance with such policies and procedures, (ii) Plaintiff and other putative class members have registered their telephone numbers on the national do-not-call registry, and/or (iii) Plaintiff and other putative class members have requested that Angels Rock Bar stop sending such text messages or place their telephone numbers on its internal do-not-call list.

14. Plaintiff, on his own behalf and on behalf of all others similarly situated, brings the instant lawsuit seeking an injunction requiring Angels Rock Bar to cease all unsolicited text message activities and for an award of statutory damages to Plaintiff and members of the putative class under the TCPA.

**THE TELEPHONE CONSUMER PROTECTION ACT OF 1991**  
**47 U.S.C. § 227, *et seq.***

15. Advancements in telephone dialing technology since the 1980s and 90s have made reaching a large number of consumers by telephone easier and more cost-effective. However, this technology has also brought with it an onslaught of unsolicited robocalls, spam text messages, and junk faxes that intrude on individual privacy and waste consumer time and money.

16. Senator Hollings, sponsor of the TCPA, described such marketing practices as “the scourge of modern civilization, they wake us up in the morning; they interrupt our dinner at night; they force the sick and elderly out of bed; they hound us until we want to rip the telephone out of the wall.” 137 Cong. Rec. 30, 821 (1990).

17. The FCC recently noted, “every month, U.S. consumers are bombarded by an estimated 2.4 billion robocalls.” *In the Matter of Advanced Methods to Target and Eliminate Unlawful Robocalls*, Notice of Proposed Rulemaking, Statement of Chairman Pai, 32 FCC Rcd. 2306, 2331 (2017) (emphasis added). That number has since increased to an estimated 2.5 billion

robocalls per month as of October 2017.<sup>2</sup>

18. In response to these unwanted telephone calls, text messages, and junk faxes, the federal government and numerous states have enacted legislation to combat these widespread telemarketing abuses. As Congress recognized:

Many customers are outraged over the proliferation of intrusive, nuisance calls to their homes from telemarketers. ... *Banning such automated or prerecorded telephone calls* to the home, except when the receiving party consents to receiving the call or when such calls are necessary in an emergency situation affecting the health and safety of the consumer, *is the only effective means of protecting telephone consumers from this nuisance and privacy invasion.*

Pub. L. No. 102-243 §§ 2(6) & (12) (1991), *codified at* 47 U.S.C. § 227 (emphasis added).<sup>3</sup>

19. As is relevant here, the TCPA prohibits “mak[ing] any call (other than a call made for emergency purposes or made with the prior express consent of the called party) using any automatic telephone dialing system or an artificial or prerecorded voice ... to any telephone number assigned to a ... cellular telephone service, ...” 47 U.S.C. § 227(b)(1)(A)(iii); 47 C.F.R. § 64.1200(a)(1).

20. For purposes of the TCPA, “[a] text message to a cellular telephone ... qualif[ies] as a ‘call’ within the compass of § 227(b)(1)(A)(iii).” *Campbell-Ewald Co. v. Gomez*, 136 S. Ct. 663, 667 (2016) (citation omitted).<sup>4</sup>

21. “Automatic telephone dialing system” (“ATDS”) refers to any equipment that has the “capacity to dial numbers without human intervention[.]” *Griffith v. Consumer Portfolio Serv., Inc.*, 838 F. Supp. 2d 723, 726 (N.D. Ill. 2011) (citing *In re Rules & Regulations Implementing the TCPA of 1991*, 18 FCC Rcd. 14014, 14092, ¶ 132 (2003) (“2003 TCPA Order”)).

22. In 2012, the FCC – the agency tasked with promulgating the implementing regulations of the TCPA – revised its TCPA rules to require *prior express written consent* before initiating a telephone call “that includes or introduces an advertisement or constitutes telemarketing[.]” 47 C.F.R. § 64.1200(a)(2); *In re Joint Petition filed by Dish Network, LLC*, 28 FCC Rcd. 6574, 6589, ¶ 37 & fn. 113 (2013) (“Dish Network Ruling”).

23. According to FCC regulations, “*prior express consent*” must (i) be in writing; (ii) be signed by the person providing the consent; (iii) clearly authorize the calling party to use an ATDS or artificial or pre-recorded voice; (iv) specify the telephone number to which the person is consenting to be called; and (v) not be a condition of purchasing any goods or services. *In the Matter of Rules and Regulations Implementing the TCPA of 1991*, FCC Report and Order, 27 FCC Rcd. 1830, 1843, ¶ 32 (2012) (“2012 TCPA Order”).

24. In 2003, the FCC adopted a national do-not-call registry to provide consumers with an option to prohibit unwanted telemarketing solicitations. *2003 TCPA Order* at 14034-35, ¶ 28.

25. The FCC rules also prohibit any person or entity from initiating a telemarketing solicitation to any “residential telephone subscriber who has registered his or her telephone number on the national do-not-call registry of persons who do not wish to receive telephone solicitations that is maintained by the Federal Government.” 47 C.F.R. § 64.1200(c)(2). For purposes of this provision of the TCPA, wireless subscribers who are registered on the national do-not-call list are presumed to be “residential subscribers.” *2003 TCPA Order* at 14038-39, ¶ 36.

26. The FCC rules also require telemarketers to maintain a company-specific internal do-not-call list, to immediately record a consumer's do-not-call request, and to cease any further telemarketing calls within thirty days of such request. 47 C.F.R. § 64.1200(d)(3).

27. The FCC's regulations define "advertisement" as "any material advertising the commercial availability or quality of any property, goods, or services." 47 C.F.R. § 64.1200(f)(1). Whether a call is an "advertisement" depends on the content of the material. *Golan v. Veritas Entm't, LLC*, 788 F.3d 814, 820 (8<sup>th</sup> Cir. 2015).

28. "Telemarketing" is defined as "the initiation of a telephone call or message for the purpose of encouraging the purchase or rental of, or investment in, property, goods, or services, which is transmitted to any person." 47 C.F.R. § 64.1200(f)(12). The "telemarketing" inquiry focuses on the purpose of the telephone call or message, rather than its content. *Golan*, 788 F.3d at 820.

29. The FCC has also made rulings regarding the TCPA's vicarious liability standards as they relate to telemarketing. As early as 1995, the FCC stated that "[c]alls placed by an agent of the telemarketer are treated as if the telemarketer itself placed the call." *In re Rules and Regulations Implementing the TCPA of 1991*, 10 FCC Rcd. 12391, 12397 (1995).

30. The FCC has also clarified that vicarious liability is imposed under federal common law principles of agency for violations of either sections 227(b) or (c) that are committed by third-party telemarketers. *Dish Network Ruling* at 6580 & ¶ 18.

31. The TCPA provides for injunctive relief and the greater of actual damages or \$500 per violation, which may be trebled where defendant's conduct was done willfully or knowingly. 47 U.S.C. §§ 227(b)(3) and (c)(5).

**FACTUAL ALLEGATIONS COMMON TO ALL COUNTS**

32. Between July 30, 2014 and April 4, 2018, Angels Rock Bar and/or its agents utilized an ATDS to send text messages to the wireless telephone numbers of Plaintiff and the putative class members.

33. Specifically, the hardware and software used by Angels Rock Bar and/or its agents has the capacity to generate and store random numbers, or store lists of telephone numbers, and to dial those numbers, *en masse*, in an automated fashion without human intervention.

34. Plaintiff and the putative class never provided prior express consent, in writing or otherwise, for Angels Rock Bar to send autodialed, advertising, and/or telemarketing text messages to their cellular telephone numbers.

35. Angels Rock Bar (i) requires consumers or businesses to provide their telephone numbers as a condition of providing happy-hour goods and services, (ii) does not advise consumers or businesses it intends to send autodialed, advertising, and/or telemarketing text messages to their cellular telephone number, and (iii) does not obtain prior express consent, written or otherwise, to send autodialed, advertising, and/or telemarketing text messages to the consumer's or business's cellular telephone number.

36. When Angels Rock Bar obtains the cellular telephone number of a consumer or business, it adds it to a stored list of numbers to which Angels Rock Bar and/or its agents repeatedly send autodialed, advertising, and/or telemarketing text messages.

37. Angels Rock Bar's text messages are sent with equipment having the capacity to dial numbers without human intervention, the equipment is unattended by human beings, and the equipment does, in fact, send text messages automatically, *i.e.*, without human intervention.

38. The equipment employed by Angels Rock Bar and/or its agents not only has the

capacity to store or produce telephone numbers to be called using a random or sequential number generator (and to dial such numbers) but was programmed to sequentially or randomly access stored telephone numbers to automatically send text messages to those numbers.

39. The text messages sent by Angels Rock Bar to Plaintiff and the putative class were made for a commercial purpose in that they contain its brand name and location, they promote specials and events at Angels Rock Bar, and/or they encourage Plaintiff and the putative class members to visit Angels Rock Bar with their friends or associates.

40. Angels Rock Bar's text messages are advertisements and/or constitute telemarketing as defined by the TCPA.

41. Not only does Angels Rock Bar fail to obtain prior express consent before sending such text messages, Angels Rock Bar's text messages do not provide a way of opting out of future text messages.

42. Angels Rock Bar's text messages do not sufficiently identify the name of the individual caller, and do not provide a (working) telephone number<sup>5</sup> or address at which the person or entity may be contacted.

43. Angels Rock Bar sent such advertising and/or telemarketing text messages without first establishing written policies or procedures to ensure compliance with the national and/or internal do-not-call rules and regulations, as required by 47 C.F.R. § 64.1200(d), and Angels Rock

<sup>5</sup> Angels Rock Bar's text messages do not provide a telephone number, toll-free or otherwise, for consumers and businesses to call in order to opt out of future text messages. Additionally, if you call the telephone number Angels Rock Bar used to text Plaintiff's cellular telephone number, you are greeted with a message that states, "Your call cannot be completed as dialed. Please check the number as dialed. 052T."

Bar failed to train its staff in compliance with any such policies and procedures.<sup>6</sup>

44. Angels Rock Bar sent these text messages to Plaintiff and other putative class members' cellular telephone numbers who have their telephone numbers registered with the national do-not-call registry.

45. Angels Rock Bar sent these messages to Plaintiff and other putative class members' cellular telephone numbers after they have requested that Angels Rock Bar stop sending such text messages or place their telephone numbers on its internal do-not-call list.

46. On information and belief, many of Angels Rock Bar's text messages were sent within 12 months of one or more prior text messages, and Angels Rock Bar lacks an adequate system for preventing the transmission of numerous automated text messages to the same telephone number.

47. Angels Rock Bar is aware that the above-described text messages are being sent to consumers and businesses without their prior express consent, to consumers and businesses who have registered their phone numbers on the do-not-call registry, and/or to consumers and businesses who have expressly requested that Angels Rock Bar stop sending such text messages, but Angels Rock Bar willfully continues to send them anyways.

48. Plaintiff and the putative class members have been substantially damaged by Angels Rock Bar's repeated text messages<sup>7</sup> – their privacy was invaded; they were annoyed and

<sup>6</sup> On May 21, 2018, Plaintiff requested that Angels Rock Bar provide his attorneys with a copy of any written policies and procedures that Angels Rock Bar had established and implemented and/or instituted as of (1) August 1, 2014, (2) February 13, 2018, and (3) April 4, 2018, to ensure compliance with the TCPA, but Defendant failed to produce any such policies and procedures.

#### **FACTUAL ALLEGATIONS SPECIFIC TO PLAINTIFF HAND**

49. At all times relevant hereto, Plaintiff Hand has paid a third-party provider for cellular telephone service and cellular data service on his personal cellular telephone, which has an area code specific to western Missouri, ending in "6900".

Dish Network LLC*, No. 12-cv-01952 (D. Co. [and] intrusion upon another person's computerized electronic equipment ..." Tangible harms, including the cost of electricity, "[w]hile certainly small, [are] real, and the cumulative effect could be consequential.").

50. Plaintiff Hand never gave his cellular telephone number to Angels Rock Bar, and never provided Angels Rock Bar with prior express consent, written or otherwise, to send autodialed, advertising, and/or telemarketing text messages to his cellular telephone number.

51. On at least one occasion, years ago, Plaintiff Hand responded to Angels Rock Bar's text messages by texting the word "STOP", however, Angels Rock Bar continued to send text messages to Plaintiff's cellular telephone number.

52. On multiple occasions, Angels Rock Bar and/or its agents caused text messages to be sent, automatically and without human intervention, to Plaintiff's cell phone. The text messages contained Angels Rock Bar's brand name and location, promoted specials and events at Angels Rock Bar, and/or encouraged Plaintiff to visit Angels Rock Bar with his friends or associates.

53. The text messages sent by Angels Rock Bar to Plaintiff were made for a commercial purpose and are advertisements and/or constitute telemarketing as defined by the TCPA.

54. Angels Rock Bar did not provide Plaintiff and the class members with notice that it intended to send multiple autodialed, advertising, and/or telemarketing text messages to their cellular telephone numbers; and Plaintiff and the class members never provided express consent in writing, or otherwise, for Angels Rock Bar to send such text messages to their cell phones.

55. On June 7, 2012, Plaintiff registered his wireless number ending in 6900 with the national do-not-call registry and received confirmation that his registration would be effective as of July 8, 2012.

56. Since the effective date of Plaintiff's registration on the national do-not-call list, and between July 30, 2014 and April 4, 2018, Angels Rock Bar has sent numerous advertising and/or telemarketing text messages to Plaintiff, many of which were within 12 months of one or more prior text messages.

### CLASS ACTION ALLEGATIONS

57. Plaintiff restates and incorporates by reference all paragraphs of this Petition, including all subparagraphs thereof.

58. As to Count I for violation of the TPCA (the “227(b)(1)(A)(iii) Class”), Plaintiff brings this action on behalf of himself and on behalf of a putative class defined as:

All persons and entities within the United States to whom Angels Rock Bar (or a third party on Angels Rock Bar’s behalf) sent a text message to their cellular or wireless telephone, promoting special pricing or events at Angels Rock Bar, between July 30, 2014 and April 4, 2018.

59. As to Count II for violation of the TPCA (the “64.1200(d) Class”), Plaintiff brings this action on behalf of himself and on behalf of a putative class defined as:

All persons within the United States to whom, between July 30, 2014 and April 4, 2018, Angels Rock Bar (or a third party on Angels Rock Bar’s behalf) sent more than one text message promoting special pricing or events at Angels Rock Bar, within any twelve-month period.

60. As to Count III for violation of the TPCA (the “227(c) Class”), Plaintiff brings this action on behalf of himself and on behalf of a putative class defined as:

All persons within the United States whose phone numbers were registered on the national do-not-call registry and to whom, between July 30, 2014 and April 4, 2018, Angels Rock Bar (or a third party on Angels Rock Bar’s behalf) sent more than one text message promoting special pricing or events at Angels Rock Bar, within any twelve-month period.

61. As to Count IV for violation of the TCPA (the “64.1200(d)(3) Class”), Plaintiff brings this action on behalf of himself and on behalf of a putative class defined as:

All persons within the United States who requested Defendant to stop calling or texting them or place their telephone numbers on its internal do-not-call list and to whom, between July 30, 2014 and April 4, 2018, Angels Rock Bar (or a third party on Angels Rock Bar’s behalf) sent any text message promoting special pricing or

events at Angels Rock Bar.

62. Excluded from the above-defined classes are Angels Rock Bar, any entity in which Angels Rock Bar has a controlling interest, Angels Rock Bar's officers, directors, and employees, Angels Rock Bar's counsel, any persons or entities who have previously settled a TCPA claim with Angels Rock Bar, the Court and Court personnel, and Plaintiff's counsel.

63. **Numerosity – Mo. R. Civ. P. 52.08(a)(1); Fed. R. Civ. P. 23(a)(1).** Plaintiff does not know how many members are in the putative class but believes them to be in the tens of thousands, if not more. On information and belief, the number of class members is so numerous that their individual joinder is impracticable. The precise number of putative class members and their phone numbers can be obtained from information and records in the possession and control of Angels Rock Bar or third parties acting on Angels Rock Bar's behalf.

64. **Existence and Predominance of Common Questions of Law and Fact – Mo. R. Civ. P. 52.08(a)(2) & 52.08(b)(3); Fed. R. Civ. P. 23(a)(2) & 23(b)(3).** Common questions of law or fact exist as to all members within the putative class and predominate over any questions solely affecting any individual member. The predominating common legal and factual questions, each of which may also be certified under Mo. R. Civ. P. 52.08(c)(4) or Fed. R. Civ. P. 23(c)(4), include the following:

- (a) Whether Angels Rock Bar and/or its agents used an automatic telephone dialing system to send text messages;
- (b) Whether the equipment used by Angels Rock Bar, or a third party on Angels Rock Bar's behalf, has the capacity to send text messages automatically, *i.e.*, without human intervention;
- (c) Whether Angels Rock Bar's text messages are advertisements;

- (d) Whether Angels Rock Bar's text messages constitute telemarketing;
- (e) Whether Angels Rock Bar requires its customers provide their telephone numbers as a condition of providing goods and services;
- (f) Whether Angels Rock Bar advised Plaintiff and the class members that it intended to send autodialed, advertising, and/or telemarketing text messages to their cellular telephone numbers;
- (g) Whether Angels Rock Bar obtained the prior express consent, written or otherwise, to send autodialed, advertising, and/or telemarketing text messages to the cellular telephone numbers of Plaintiff and the class members;
- (h) Whether Angels Rock Bar's text messages were sent for an emergency purpose;
- (i) Whether Angels Rock Bar's text messages were sent willfully or knowingly;
- (j) Whether Angels Rock Bar (i) established and implemented written procedures to comply with the national do-not-call rules; (ii) trained its personnel in procedures established pursuant to the national do-not-call rules; (iii) maintained a list of telephone numbers Angels Rock Bar may not contact; (iv) employed a version of the national do-not-call registry obtained from the administrator of the registry no more than 31 days prior to the date any call or text is made, and (v) maintained records documenting this process;
- (k) Whether Angels Rock Bar (i) established and implemented written

procedures to comply with the internal do-not-call rules; (ii) trained its personnel in procedures established pursuant to the internal do-not-call rules; (iii) maintained an internal list of telephone numbers Angels Rock Bar may not contact; (iv) employed a version of the internal do-not-call list containing numbers updated no more than 30 days prior to the date any call is made, and (v) maintained records documenting this process; and/or

- (1) Whether, and to what extent, class members are entitled to equitable relief, including declaratory relief, a preliminary injunction, and/or permanent injunction.

65. **Typicality – Mo. R. Civ. P. 52.08(a)(3); Fed. R. Civ. P. 23(a)(3).** Plaintiff's claims are typical of the claims of the putative classes he seeks to represent. The factual and legal bases of Angels Rock Bar's liability to Plaintiff is the same for all putative class members: (i) Angels Rock Bar violated the TCPA by using an automatic telephone dialing system to send text messages without obtaining prior express written consent; (ii) Angels Rock Bar violated the TCPA by sending multiple promotional text messages without complying with the requirements of 47 U.S.C. § 227(c), 47 C.F.R. § 64.1200(c) and/or 47 C.F.R. § 64.1200(d).

66. **Adequacy of Representation – Mo. R. Civ. P. 52.08(a)(4); Fed. R. Civ. P. 23(a)(4).** Plaintiff will fairly and adequately protect the interests of the putative class members. Plaintiff has no interests that might conflict with the interests of the putative class members. Plaintiff will pursue the claims vigorously, and Plaintiff has retained counsel competent and experienced in TCPA class actions and complex litigation.

67. **Superiority – Mo. R. Civ. P. 52.08(b)(3); Fed. R. Civ. P. 23(b)(3).** A class action is superior to all other available means for the fair and efficient adjudication of this controversy.

The damages or other financial detriment suffered by individual class members is small compared with the burden and expense that would be entailed by individual litigation of their claims against Angels Rock Bar. It would thus be virtually impossible for class members, on an individual basis, to obtain effective redress for the wrongs done to them. Furthermore, even if class members could afford such individualized litigation, the court system could not. Individualized litigation would create the danger of inconsistent or contradictory judgments arising from the same set of facts. Individualized litigation would also increase the delay and expense to all parties and the court system from the issues raised by this action. By contrast, the class action device provides the benefits of adjudication of these issues in a single proceeding, economies of scale, and comprehensive supervision by a single court, and presents no unusual management difficulties under the circumstances here.

**COUNT I**  
**VIOLATIONS OF THE TCPA: 47 U.S.C. § 227(b)(1)(A)(iii)**

68. Plaintiff restates and incorporates by reference all paragraphs of this Petition, including all subparagraphs thereof.

69. Angels Rock Bar and/or its agents employed an ATDS to send non-emergency text messages, automatically and without human intervention, to the cellular or wireless telephones of Plaintiff and the members of 227(b)(1)(A)(iii) Class.

70. Angels Rock Bar requested, and obtained, the cellular telephone numbers of many of the 227(b)(1)(A)(iii) Class members as a condition to providing its goods and services.

71. Angels Rock Bar never obtained prior express consent in writing, or otherwise, advising Plaintiff or the members of the 227(b)(1)(A)(iii) Class that it intended to send autodialed, advertising, and/or telemarketing text messages to their cellular or wireless telephones.

72. As a result of Angels Rock Bar's conduct and pursuant to Section 227(b)(3) of the

TCPA, Plaintiff and the 227(b)(1)(A)(iii) Class were harmed and are entitled to a minimum of \$500 in damages for each unlawful text message.

73. Plaintiff and the 227(b)(1)(A)(iii) Class are also entitled to an injunction against future calls. 47 U.S.C. § 227(b)(3).

74. Angels Rock Bar's text messages were willful and knowing, in that Angels Rock Bar knew it was obtaining and storing cellular telephone numbers and employing equipment that would send autodialed, advertising, and/or telemarketing text messages to such numbers; Angels Rock Bar intended that such equipment would in fact send automated text messages containing its brand name and location, and promoting specials and events at Angels Rock Bar; and Angels Rock Bar knew that it had not obtained prior express consent, in writing or otherwise, from Plaintiff or any of the putative class members to send such text messages.

75. "Willful ... means that the violator knew that he was doing the act in question. ... A violator need not know that his action or inaction constitutes a violation; ignorance of the law is not a defense or mitigating circumstance." *In re Dynasty Mtg., L.L.C.*, 22 FCC Rcd. 9453, 9470 & fn. 86 (May 14, 2007) (citations omitted).

76. Accordingly, the Court should treble the amount of statutory damages available to Plaintiff and the 227(b)(1)(A)(iii) Class and award \$1,500 for each text message sent in violation of the TCPA.

WHEREFORE, Plaintiff, individually and on behalf the 227(b)(1)(A)(iii) Class, seeks \$1,500 per violation of the TCPA; a declaration that Angels Rock Bar's telemarketing methods, acts and practices herein violate the TCPA, 47 U.S.C. § 227, *et seq.*; an injunction prohibiting Angels Rock Bar from continuing to engage in such unlawful methods, acts, and practices; and attorneys' fees and costs.

**COUNT II**  
**VIOLATIONS OF THE TCPA: 47 U.S.C. § 227(c); 47 C.F.R. § 64.1200(d)**

77. Plaintiff restates and incorporates by reference all paragraphs of this Petition, including all subparagraphs thereof.

78. Angels Rock Bar's text messages were made for a commercial purpose, in that they contain its brand name and location, they promote specials and events at Angels Rock Bar, and/or they encourage Plaintiff and the putative class members to visit Angels Rock Bar with their friends or associates.

79. Angels Rock Bar sent more than one advertising and/or telemarketing text message within any twelve-month period to Plaintiff and the 64.1200(d) Class even though Angels Rock Bar did not first institute procedures for initiating telemarketing calls or text messages that meet (or exceed) the following minimum standards:

- Written policies and procedures, available upon demand, for maintaining a do-not-call list;
- Policies and procedures for the training of personnel engaged in any aspect of telemarketing, on the existence and use of the do-not-call list;
- Policies and procedures for the recording of any request not to receive calls, at the time the request is made, including the subscriber's name, if provided, and telephone number, and honoring any such requests within a reasonable time from the date such request is made.
- Policies and procedures for employing a version of the internal do-not-call list containing numbers updated no more than 30 days prior to the date any call is made;
- Policies and procedures for providing the called party with the name of the individual caller, the name of the person or entity on whose behalf the call is being made, and a telephone number or address at which the person or entity may be contacted; and
- Policies and procedures for maintaining records documenting this

process, for a period of not less than 5 years.

80. On information and belief, Angels Rock Bar is not a tax-exempt nonprofit organization and is therefore required to comply with the minimum standards set forth in 47 C.F.R. § 64.1200(d). *See* 47 C.F.R. § 64.1200(d)(7).

81. On May 21, 2018, Plaintiff demanded a copy of Angels Rock Bar's written policies and procedures for ensuring compliance with the TCPA, but Defendant did not respond to Plaintiff's request.

82. On information and belief, Angels Rock Bar did not implement any of the minimum standards required by 47 C.F.R. § 1200(d)(1)-(6).

83. Plaintiff Hand and many of the class members requested that Angels Rock Bar stop sending advertising and/or telemarketing text messages to their telephone numbers or place their numbers on Angels Rock Bar's internal do-not-call list, but Angels Rock Bar failed to honor these requests.

84. Angels Rock Bar's text messages do not sufficiently identify the name of the individual caller, and do not provide a (working) telephone number or address at which the person or entity may be contacted.

85. As a result of Angels Rock Bar's conduct and pursuant to Section 227(c)(5) of the TCPA, Plaintiff and the 64.1200(d) Class were harmed and are entitled to a minimum of \$500 in damages for each unlawful text message.

86. Plaintiff and the 64.1200(d) Class are also entitled to an injunction against future calls. 47 U.S.C. § 227(c)(5).

87. Angels Rock Bar's text messages were willful and knowing, in that Angels Rock Bar knew it was sending advertising and/or telemarketing text messages to the cellular telephone

numbers of Plaintiff and the class members without first implementing procedures required by 47 C.F.R. § 64.1200(d), but Angels Rock Bar chose to send such text messages anyways.

88. “Willful ... means that the violator knew that he was doing the act in question. ... A violator need not know that his action or inaction constitutes a violation; ignorance of the law is not a defense or mitigating circumstance.” *In re Dynasty Mtg., L.L.C.*, 22 FCC Rcd. 9453, 9470 & fn. 86 (May 14, 2007) (citations omitted).

89. Accordingly, the Court should treble the amount of statutory damages available to Plaintiff and the 64.1200(d) Class and award \$1,500 for each text message sent in violation of the TCPA.

WHEREFORE, Plaintiff, individually and on behalf the 64.1200(d) Class, seeks \$1,500 per violation of the TCPA; a declaration that Angels Rock Bar’s telemarketing methods, acts and practices herein violate the TCPA, 47 U.S.C. § 227, *et seq.*; an injunction prohibiting Angels Rock Bar from continuing to engage in such unlawful methods, acts, and practices; and attorneys’ fees and costs.

### **COUNT III**

#### **VIOLATIONS OF THE TCPA: 47 U.S.C. § 227(c); 47 C.F.R. § 64.1200(c)(2)**

90. Plaintiff restates and incorporates by reference all paragraphs of this Petition, including all subparagraphs thereof.

91. Angels Rock Bar’s text messages were made for a commercial purpose, in that they contain its brand name and location, they promote specials and events at Angels Rock Bar, and/or they encourage Plaintiff and the putative class members to visit Angels Rock Bar with their friends or associates.

92. Angels Rock Bar sent more than one advertising and/or telemarketing text message within any twelve-month period to Plaintiff and the 227(c) Class after their telephone numbers had

been registered on the national do-not-call registry for more than 31 days.

93. These advertising and/or telemarketing text messages were made even though Angels Rock Bar did not obtain prior express consent in writing, or otherwise, to send such text messages to Plaintiff or the 227(c) Class.

94. As a result of Angels Rock Bar's conduct and pursuant to Section 227(c)(5) of the TCPA, Plaintiff and the 227(c) Class were harmed and are entitled to a minimum of \$500 in damages for each violation.

95. Plaintiff and the 227(c) Class are also entitled to an injunction against future calls. 47 U.S.C. § 227(c)(5).

96. On May 21, 2018, Plaintiff demanded a copy of Angels Rock Bar's written policies and procedures for ensuring compliance with the TCPA, but Defendant did not respond to Plaintiff's request.

97. On information and belief, Angels Rock Bar failed to (i) establish and implement written procedures to comply with the national do-not-call rules; (ii) train its personnel in procedures established pursuant to the national do-not-call rules; (iii) maintain a list of telephone numbers Angels Rock Bar may not contact; (iv) employ a version of the national do-not-call registry obtained from the administrator of the registry no more than 31 days prior to the date any call is made, and (v) maintain records documenting this process.

98. On information and belief, Angels Rock Bar failed to honor the national do-not-call registry, failed to provide "an interactive opt-out mechanism" by which Plaintiff and the 227(c) Class could opt out of future calls, and failed to maintain an "automated, interactive voice- and/or key press-activated opt-out mechanism" by which Plaintiff and the 227(c) Class could call a separate toll-free number and add their numbers to Angels Rock Bar's internal do-not-call list.

99. Angels Rock Bar's text messages were willful and knowing, in that Angels Rock Bar knew it was sending advertising and/or telemarketing text messages to the cellular telephone numbers of Plaintiff and the class members registered on the national do-not-call list, but Angels Rock Bar chose to send such text messages anyways.

100. "Willful ... means that the violator knew that he was doing the act in question. ... A violator need not know that his action or inaction constitutes a violation; ignorance of the law is not a defense or mitigating circumstance." *In re Dynasty Mtg., L.L.C.*, 22 FCC Rcd. 9453, 9470 n. 86 (May 14, 2007) (citations omitted).

101. Accordingly, the Court should treble the amount of statutory damages available to Plaintiff and the 227(c) Class and award \$1,500 for each violation of the TCPA.

WHEREFORE, Plaintiff, individually and on behalf the 227(c) Class, seeks \$1,500 per violation of the TCPA; a declaration that Angels Rock Bar's methods, acts and practices violate the TCPA, 47 U.S.C. § 227, *et seq.*; an injunction prohibiting Angels Rock Bar from continuing to engage in such unlawful methods, acts, and practices; and attorneys' fees and costs.

**COUNT IV**  
**VIOLATIONS OF THE TCPA: 47 U.S.C. § 227(c); 47 C.F.R. 64.1200(d)(3)**

102. Plaintiff restates and incorporates by reference all paragraphs of this Petition, including all subparagraphs thereof.

103. Angels Rock Bar's text messages were made for a commercial purpose, in that they contain its brand name and location, they promote specials and events at Angels Rock Bar, and/or they encourage Plaintiff and the putative class members to visit Angels Rock Bar with their friends or associates.

104. Angels Rock Bar sent one or more advertising and/or telemarketing text messages to Plaintiff and the 64.1200(d)(3) Class after they requested that Angels Rock Bar not contact them

or place their telephone numbers on its internal do-not-call list.

105. On May 21, 2018, Plaintiff demanded a copy of Angels Rock Bar's written policies and procedures for ensuring compliance with the TCPA, but Defendant did not respond to Plaintiff's request.

106. As a result of Angels Rock Bar's conduct and pursuant to Section 227(c)(5) of the TCPA, Plaintiff and the 64.1200(d)(3) Class were harmed and are entitled to a minimum of \$500 in damages for each unlawful text message.

107. Plaintiff and the 64.1200(d)(3) Class are also entitled to an injunction against future calls. 47 U.S.C. § 227(c)(5).

108. Angels Rock Bar's text messages were willful and knowing, in that Angels Rock Bar knew it was sending advertising and/or telemarketing text messages to the cellular telephone numbers of Plaintiff and the class members who had requested not to receive such text messages, but Angels Rock Bar chose to send such text messages anyways.

109. "Willful ... means that the violator knew that he was doing the act in question. ... A violator need not know that his action or inaction constitutes a violation; ignorance of the law is not a defense or mitigating circumstance." *In re Dynasty Mtg., L.L.C.*, 22 FCC Rcd. 9453, 9470 & fn. 86 (May 14, 2007) (citations omitted).

110. Accordingly, the Court should treble the amount of statutory damages available to Plaintiff and the 64.1200(d)(3) Class and award \$1,500 for each text message sent in violation of the TCPA.

WHEREFORE, Plaintiff, individually and on behalf the 64.1200(d)(3) Class, seeks \$1,500 per violation of the TCPA; a declaration that Angels Rock Bar's methods, acts and practices violate the TCPA, 47 U.S.C. § 227, *et seq.*; an injunction prohibiting Angels Rock Bar from continuing

to engage in such unlawful methods, acts, and practices; and attorneys' fees and costs.

## **SUMMONS/GARNISHMENT SERVICE PACKETS ATTORNEY INFORMATION**

Under the Missouri e-filing system now utilized by the 16<sup>th</sup> Judicial Circuit Court, once a case has been accepted for filing, a clerk prepares the necessary documents for service. The summons/garnishment is sent to the attorney by an e-mail containing a link so that the filer may print and deliver the summons/garnishment, pleadings and any other necessary documents to the person designated to serve the documents.

Pursuant to State statutes, Supreme Court Rules and Local Court Rules, attorneys are required to print, attach and serve specific documents with certain types of Petitions and other filings.

Please refer to the Court's website for instructions on how to assemble the service packets at:

16thcircuit.org → Electronic Filing Information → Required Documents for Service – eFiled cases → Summons/Garnishment Service Packet Information.

Please review this information periodically, as revisions are frequently made. Thank you.
